

Educators Consortium for Service Learning

Engaging Minds & Opening Hearts to Guide Youth Innovators

2023-24 Membership Enrollment Form

Since 1994, ECSL has provided superior professional development helping educators link community engagement, classroom academics, social responsibility & experiential learning. By encouraging students to question, engage, problem solve, interpret and take risks they gain critical life skills and become confident change-makers. The \$550 annual fee entitles schools to send up to 10 representatives to ECSL meetings and workshops. These offer a wealth of resources, materials, ideas, expert consultants, inter-school collaborations, peer-to-peer connections, and gratis books & publications. Visit our [website](#) to learn more.

Membership payment may be mailed, or alternate payment options are available.

ECSL invites individual educators regardless of the ability to pay. Donations are appreciated.
